

Old Plains

WINE CO & VINEYARDS

Iconic new release - 2015 Power of One Shiraz

Since the inception of our small wine company back in 2002, the Power of One Shiraz has been our flagship.

Bringing together some of the last remaining old vine vineyards that are dotted about the Adelaide Plains, the careful nurturing of these vines by the growers and the dedicated craft of traditional small batch, hand craft wine making.

These vineyards have stood the test of time as many around them have made way for housing estates and market gardens. Credit to the growers and families who continue to support us in our endeavors.

We're very proud to be able to bring you this release, it reflects exactly why we started making wine. That was to salvage the last remaining old vines of the Adelaide Plains and showcase the power and purity they offer.

This vintage once again delivers everything we hope for in a wine. It's both comforting and familiar without being repetitious, it poses questions, keeps you searching your memory to recall that distant aroma or flavour and more importantly can simply be enjoyed with family and friends.
